## **AGRICANN ANNOUNCES RESIGNATION OF CHIEF EXECUTIVE OFFICER**

**Vancouver, BC, December 13, 2023 – AgriCann Solutions Corp. ("AgriCann")** (with its subsidiaries, collectively referred to as "**the Company**") announces the voluntary resignation of Adam Sancewicz from the position of Chief Executive Officer of AgriCann effective immediately, along with his positions held in subsidiaries Newline Ventures Inc. and Craft Nurseries Canada Ltd., pending completion of certain assignments, transfers and records in compliance with Health Canada and other regulatory requirements. Sancewicz has served as President since August 2022 and as CEO since April 2023.

"We thank Adam for his leadership and guidance during the Company's restructuring of its Craft Nurseries operations, and the transition to and recent acquisition of Newline Ventures," said Rob van Santen, AgriCann's Chairman. "We wish him all the best in his future endeavours."

AgriCann has appointed Tim Tombe as interim CEO. Tim is a director of AgriCann, remains the Company's largest shareholder, and was co-founder and a former director of Valens AgriTech Ltd. and its parent company The Valens Company, recently acquired by Nasdaq-listed SNDL Inc.

### **About AgriCann Solutions Corp.**

AgriCann operates wholly owned subsidiaries Craft Nurseries Canada Ltd., a full-service Health Canada licenced cannabis nursery located in Lake Country, and Newline Ventures Inc., a Health Canada multi-licenced facility in nearby Vernon, British Columbia.

AgriCann supports craft cultivators through innovative marketing initiatives, creating demand with premium genetics and strong consumer branding, and facilitates the distribution of consumer-packaged goods through scalable logistics models. By providing cultivating partners with access to superior genetics, starting materials, and cultivation support, we ensure quality control of finished flower as a trusted partner enabling effective and strategic competition in today's market. AgriCann provides a logistics solution by helping micro-batch craft cultivators build a viable business, getting their products to market efficiently and thereby securing a reliable supply of premium craft cannabis products to domestic and global markets.
